#SportsSocialMorningMotivation

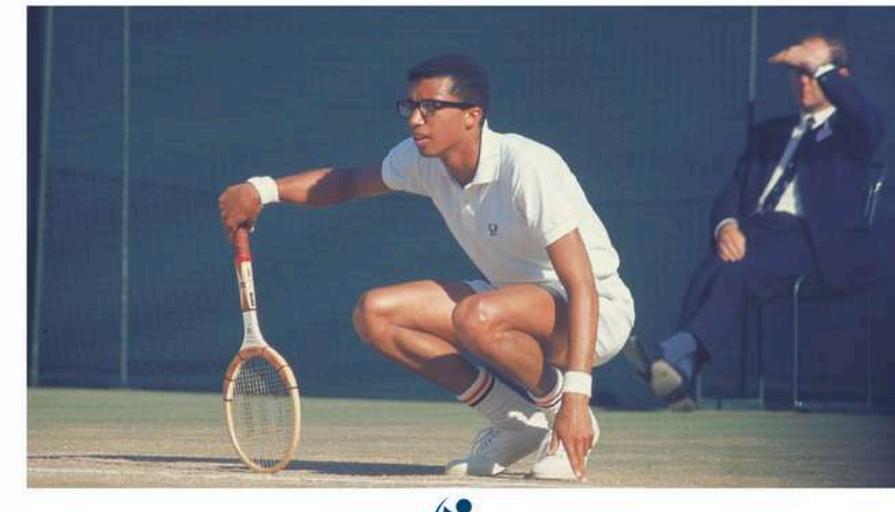

The difference between the impossible and the possible lies in a person's determination

#SportsSocialMorningMotivation

Always make a total effort, even when the odds are against you

#SportsSocialMorningMotivation

You are never really playing an opponent. You are playing yourself, your own highest standards, and when you reach your limits, that is real joy.

#SportsSocialMorningMotivation

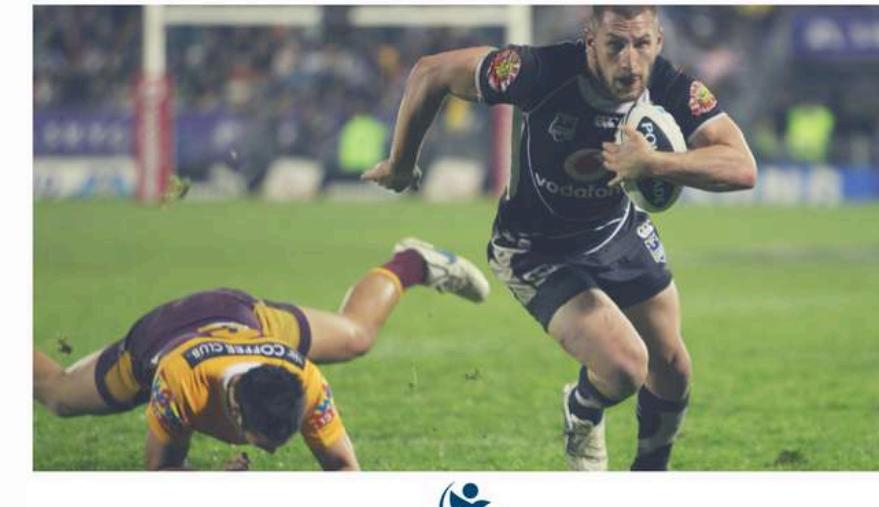

Sports serve society by providing vivid examples of excellence.

#SportsSocialMorningMotivation

Champions keep playing until they get it right

#SportsSocialMorningMotivation

You can motivate by fear, and you can motivate by reward. But both those methods are only temporary. The only lasting thing is self motivation

#SportsSocialMorningMotivation

You've got to take the initiative and play your game. In a decisive set, confidence is the difference
